Describe a proposed project that will implement one or more ideas from the "Livable Neighborhoods" booklet; or combine it with suggestions from the "Plants for a Livable Delaware" booklet.

\*\*Keep the judging criteria\*
- listed below — in mind.

## Livable Communities Mini-Grant Application

**Eligible:** Civic associations and other nonprofit community-oriented groups (garden clubs, scout troups, church groups, service organizations, etc.) Five grants of \$1,000 each will be awarded.

Judging Criteria: Understanding of concepts in the publication(s) (20%); combining ideas in one or both publications (10%); effective use of grant money (20%); grassroots involvement of community (40%); visibility of and community access to completed project (10%).

Application Deadline: Monday May 25, 2005
